Meet the brand that's taking  
a no-nonsense approach to Medicare.

**Welcome to the new Wellcare.** As a valued Allwell provider, we want to share some exciting changes to our Medicare plans. We've combined multiple brands under the Wellcare name to offer a better range of plans that provide members with affordable access to doctors, nurses, and specialists.

We're working hard to get rid of the nonsense in health insurance. That's why we're offering simplified plans, streamlined benefits, and new ways to save. And as always, Wellcare is committed to working with you to ensure your patients receive the best care.

We know you probably have a few questions, so we want to take a moment to answer them for you.

### Which Medicare brands will become Wellcare?

Allwell.

### Does this involve all lines of business for these brands?

No, only Medicare. In designated states, some of these brands will continue to exist with Medicaid and Marketplace plans.

### When does the transition begin?

This fall, you will begin to receive materials with the new Wellcare branding. We will officially transition to Wellcare on January 1, 2022, unless otherwise noted.

Please note, you may see materials with the old branding prior to January 2022.
