Dear Provider,

We are contacting you with a reminder that Prior Authorizations for Home Health Nursing Services (LPN and RN) are to be clinically reviewed every 60 days and will require a new Prior Authorization request every 60 days. A new prescription for waiver nursing services is required every 6 months.

These services are requested by the servicing Provider using our Prior Authorization process. Please submit Prior Authorization requests with supporting documentation through our online Secure Provider Portal. You may also submit a Prior Authorization request via fax using our PA Health & Wellness outpatient prior authorization fax form, found at <https://www.pahealthwellness.com/providers/resources/forms-resources.html>.

Thank you for your ongoing partnership. If you have any questions, please reach out to Provider Services at 1-844-626-6813.

Sincerely,
