

Get on the  
**Road to  
Employment**  
with  
**Employment  
Benefits  
Counseling**

It takes expertise to navigate employment. With support from the Kessler Foundation, JEVS is helping individuals see the benefits of employment and:

- **Achieve financial independence**
- **Improve health outcomes**
- **Fully participate in the community**

An important first step on the road to employment is encouraging individuals with disabilities to discuss their benefits. Doing so can help unravel myths and misunderstands about how work will impact their benefits package.

### **Why Join the Road to Employment?**

- Receive individualized benefits counseling
- Receive customized employment guidance and support
- Be connected to necessary supports and resources to achieve a meaningful career

### **Why Benefits Counseling?**

- Learn how earned income will affect your benefits
- Understand how working can potentially increase your overall monthly income
- Receive accurate and individualized guidance to avoid costly overpayments from SSA
