LIFE CHANGING MEDICINE

UPMC HEALTH PLAN

Join us for a **community conversation** about how Alzheimer's and other dementias impact the African American community, and ways to address this public health issue in **Pittsburgh**.

Together we will learn about dementia, community resources and the importance of early diagnosis while listening to the voices of **caregivers and community leaders**.

Hosted by **Amanda Neatrour**,
Chair, Aging Subcommittee of PA Governor's
Advisory Commission on Women

Complimentary lunch provided by
Roxanne's Catering.

REGISTRATION IS REQUIRED.
