Attention DME Providers

PA Health & Wellness (PHW) Announcement: Effective 6/13/2022, specially adapted mobility devices, speech-generating devices, and Exceptional DME (equipment as defined in *Pennsylvania Bulletin* 49 Pa.B 3542) will no longer require submission to PHW through the Service Coordinator. If prior-authorization is required ([Pre-Auth Check Tool](#)), these requests can be initiated by either the ordering, referring or prescribing (O/R/P) physician or the DME provider by fax or submission through PHW's secure provider portal. DME requires a script from an O/R/P physician. We anticipate this will streamline the process and have a positive impact on both Participant and Provider experience.
