## Ambetter Health Update for HCPCS Code E0486

Effective 07/01/2026

**Effective July 1, 2026**, HCPCS code E0486 (custom-fabricated mandibular advancement device [MAD] for the treatment of obstructive sleep apnea) will require prior authorization. Providers must obtain prior authorization before rendering services billed under this code. Claims submitted without approved prior authorization may be subject to denial.

If you have questions about this update or other Provider resources contact your Provider Representative directly or call Provider Services at [1-833-510-4727](tel:1-833-510-4727) ([Relay 711](#)).

Sincerely,  
Ambetter Health
