B. Covid-19/Fluvention	<u>Pulmonary/Airway Diseases</u> Chronic Obstructive Pulmonary Disease (COPD) - Caused by inhaling pollutants, which includes tobacco smoking and second-hand smoke, but other causes of COPD can be fumes, chemicals and dust found in work environments, and genetics. Asthma - A chronic lung disease that causes inflammation and narrowing of the airways, making it difficult to breathe. Symptoms include coughing, wheezing, chest tightness, and shortness of breath. Emphysema - A chronic lung disease that damages the air sacs in the lungs, making it difficult to breathe.			
	Presented by Susan Foster. The Flu Vaccine can take the Flu from wild to mild. The Flu vaccine does not only protect you, it protects people around you. Fluvention is a campaign that will run October 2024-May 2025. Programs goals are: <ul style="list-style-type: none"> • Decrease flu among high-risk Participants • Increase overall flu vaccination rates from the previous year • Reduce flu-related utilization (ER visits, hospitalizations) This program focuses on specific high-risk groups, including Participants who are 65+ years, those with chronic health	N/A	N/A

	<p>conditions or pregnant.</p> <p>Flu Keypoints:</p> <ul style="list-style-type: none"> • Influenza (flu) is a contagious respiratory illness caused by flu viruses that infect the nose, throat, and lungs • Flu viruses are spread mainly by tiny water drops made when people with flu cough, sneeze, or talk • There are two main types of flu viruses: Influenza A and Influenza B. These are the types of flu that are responsible for seasonal flu epidemics each year and determine how flu vaccines are made • Flu can cause mild to severe illness, including death • The best way to prevent flu is by getting a flu vaccine each year <p>Flu activity in Pennsylvania is going down, but rates remain high. We may be over the worst of Flu season if trends continue to decrease.</p> <p><u>Covid:</u> Over the past 2 weeks. There have been 9217 positive tests in Pennsylvania – this shows that Covid is still active in our communities.</p> <p><u>CURRENT RESPIRATORY ILLNESS (COVID, FLU, AND RSV):</u> Rates remain high in PA</p> <p><u>Avian Influenza:</u></p> <ul style="list-style-type: none"> • The main risk factor for getting bird flu is being exposed to infected sick or dead animals • The best way to prevent infection from H5N1 (avian

B. Customer Service	<p>Q: What is the difference between a complaint and a grievance? R: Complaint is towards the care or service a PTP is receiving or received. A grievance is more like when you have received a denial or request for something (PAS hours, etc.) and you file a grievance to dispute it.</p> <p>Joanna Lewis presented on Customer Service. Participant and Provider incoming calls - PHW met the metrics for Q4 2024: 13 seconds average speed to answer PTPs, 12 seconds average speed to answer providers. Abandoned rate for calls Q4 2024 was 1.03% for participants and 0.61% for providers. All goals met.</p>	N/A	N/A	
C. Transportation	<p>Presented by PHW Team. <u>Transportation Request 2024:</u> Successful trip request: 173,010 Provider not available: 40 Provider no show: 13</p>	N/A	N/A	
D. Employments Services	<p>Theresia Kody presents on Employment. We would love your feedback on employment. Scan the QR code or use this link: https://forms.office.com/r/cZ5Cki01v3</p>	N/A	Greg – make sure the link to the survey hyperlinks

A. Performance Improvement Project (PIP) – non-clinical and clinical	<p>Brendin Tupta presented.</p> <ul style="list-style-type: none"> • OLTL requested that the 3 CHC-MCO's add an Interim Report to PIP reporting timeline. We are awaiting clarification on this request. • The upcoming annual submission is due at the end of July. • PHW continues to collect data quarterly for each PIP project. • There are no outstanding concerns with both projects, and we continue to monitor all interventions. • More info in June. <p>2024 - 459 participants were transferred from nursing homes back to the community. Majority of transfers happen in the Philadelphia and Pittsburgh areas, but transfers happen all across the state. About 20% need housing prior to being transferred to the community. Securing suitable housing can be difficult.</p> <p>Penny: New Horizons is a drop-in center located in Bellevue (616 Lincoln Ave. Bellevue, PA 15202 9:00am-5:00pm Monday-Friday 412-766-8060) offering advocacy services, peer support, a free nutritious lunch and many other mental health resources. Membership is free.</p> <p>This concluded the Board Committee meeting at 2:50 PM with a reminder that the next meeting will be June 17, 2025.</p>	N/A	N/A
