

**PA Health & Wellness
Musculoskeletal Management Program
Provider Education Webinars**

In keeping with our commitment of promoting continuous quality improvement for services provided to PA Health & Wellness members, effective March 1, 2024, PA Health & Wellness has partnered with Evolent (formerly National Imaging Associates, Inc.) to implement a Musculoskeletal (MSK) Management Program. This program includes prior authorization for non-emergent **MSK procedures including inpatient and outpatient hip, knee, shoulder, lumbar and cervical spine surgeries**. This decision is consistent with industry-wide efforts to ensure clinically appropriate quality of care and to manage the increasing utilization of these services.

PA Health & Wellness and Evolent welcome providers to attend an upcoming provider education webinar on the Evolent MSK Management Program prior authorization process. There will be several one-hour long webinar sessions that will take place on the following dates. You will only need to attend one of these educational sessions.
