---

**HOSTED VIA ZOOM**  
**SEE ATTACHED FLYERS FOR SPECIFIC DATES, TIMES AND  
REGISTRATION INFORMATION**

**Please read the following information before registering:**

- Every session is the same – please only select one date and time when registering
- Although this training is virtual, it is interactive! Please be sure you have access to a functioning camera and microphone when registering (you will need to participate in order to obtain CEUs)
- In order to keep it interactive, we are capping registration at 25 participants. If all sections fill up quickly, we will offer another round of dates to try and accommodate everyone
- This is meant as a 101, introduction-level training that will cover language/terminology, gender identity development across the lifespan, and specific supports/resources related to working with transgender and gender non-binary clients
- This training has been offered for the past two years, so if you've attended this training in the past (or have a 101-foundation), stay tuned for 201-level training opportunities!
- 3 CEU credits will be provided for those licensed under the PA State Board of Social Work, Marriage and Family Therapists, and Professional Counselors
