Policy/Criteria

Provider must submit documentation (such as office chart notes, lab results or other clinical information) supporting that member has met all approval criteria.

It is the policy of health plans affiliated with PA Health and Wellness® that Topical Steroids are **medically necessary** when the following criteria are met:

I. Requirements for Prior Authorization of Steroids, Topical ~~High~~

A. Prescriptions That Require Prior Authorization

All prescriptions for a non-preferred Steroid, Topical must be prior authorized.

B. Review of Documentation for Medical Necessity

In evaluating a request for prior authorization of a prescription for a non-preferred Steroid, Topical, the determination of whether the requested prescription is medically necessary will take into account the whether the beneficiary:

1. Has a history of therapeutic failure, contraindication, or intolerance to the preferred Steroids, Topical of the same relative potency (i.e., low, medium, high, very high) and approved or medically accepted for the beneficiary's diagnosis.

NOTE: If the beneficiary does not meet the clinical review guidelines listed above but, in the professional judgment of the physician reviewer, the services are medically necessary to meet the medical needs of the beneficiary, the request for prior authorization will be approved.

C. Clinical Review Process

Prior authorization personnel will review the request for prior authorization and apply the clinical guidelines in Section B. above to assess the medical necessity of a prescription for a Steroid, Topical. If the guidelines in Section B. are met, the reviewer will prior authorize the prescription. If the guidelines are not met, the prior authorization request will be referred to a physician reviewer for a medical necessity determination. Such a request for prior authorization will be approved when, in the professional judgment of the physician reviewer, the services are medically necessary to meet the medical needs of the beneficiary.

D. Approval Duration: 12 months
