

2023 Partnership for Quality

Wellcare By Allwell understands that the provider-member relationship is a key component in ensuring superior healthcare and the satisfaction of our members. Additional Conditions

Additional conditions for eligibility to receive a Bonus under the P4Q Program are:

- ✓ All P4Q providers must: (a) be in a participation Agreement with Wellcare, either directly or indirectly through a vendor, from the Effective Date and continually through the dates the Bonus payments are made, and (b) be in compliance with their participation Agreement including the timely completion of required training or education as requested or required by the Plan.
- ✓ Bonuses are paid to the eligible member's provider of record at the end of the applicable measurement periods as defined by the P4Q Program.
- ✓ Any Bonus payments earned through this P4Q Program will be in addition to the compensation arrangement set forth in your participation Agreement, as well as any other Wellcare incentive program in which you may participate. At Wellcare's discretion, P4Q providers who have a contractual or other quality incentive arrangement with Wellcare either directly or through an IPA/Vendor may be excluded from participation in this P4Q Program.
- ✓ The terms and conditions of the participation Agreement, except for appeal and dispute rights and processes, are incorporated into this Program, including without limitation, all audit rights of Wellcare, and the P4Q provider agrees that Wellcare or any state or federal agency may audit his/her/its records and information.
- ✓ The Program is discretionary and subject to modification due to changes in government healthcare program requirements, or otherwise. Wellcare will determine if the requirements are satisfied and payments will be made solely at Wellcare's discretion. There is no right to appeal any decision made in connection with the Program. If the Program is revised, Plan will send a notice to P4Q provider by email or other means of notice permitted under the participation Agreement.

- ✓ Wellcare reserves the right to withhold the payment of any Bonus that may have otherwise been paid to a P4Q provider to the extent that such P4Q provider has received or retained an overpayment (any money to which the P4Q provider is not entitled, including, but not limited to, Fraud, Waste or Abuse) from the Plan, or Plan's Eligible Member. In the event Wellcare determines a P4Q provider has been overpaid, Wellcare may offset any Bonus Payment that may have otherwise been paid to the P4Q provider against overpayment.
- ✓ Only one Bonus Payment will be made for a specific HEDIS and Medication Adherence member-measure combination.
- ✓ Plan shall make no specific payment, directly or indirectly under a provider incentive program, to a P4Q provider as an inducement to reduce or limit medically necessary services to an enrollee, and this P4Q Program does not contain provisions that provide incentives, monetary or otherwise, for withholding medically necessary care. All services should be rendered in accordance with professional medical standards.
